JUNE 2022

Mosaic: refreshed!

We are excited to announce that we have refreshed our logo to better align with who we are and who we've always been: vibrant, diverse and welcoming. We are the same Mosaic that has served the community for 20 years, we just have a new look. And soon we will roll out a refreshed name that truly reflects our depth of services: **Mosaic Community Health**.

TRANSITION TIMELINE

We will transition to our new name once we receive formal legal approval. This will likely happen by the end of 2022. While we transition, you might see a mix of Mosaic logos in use. Thanks in advance for your patience as we work to get things updated over time.
