

# Mosaic Matters

SPRING 2023

## WE'VE LAUNCHED OUR REFRESHED NAME: MOSAIC COMMUNITY HEALTH

We are so excited to share that after more than a year of planning and waiting we are now Mosaic Community Health! Our new name aligns with the full range of services we provide. And, it highlights our role as a Community Health Center, providing access to quality care for everyone in Central Oregon regardless of social, economic or insurance status. Visit our website ([MosaicCH.org](https://MosaicCH.org)) or social media channels ([Facebook](#), [Instagram](#), [LinkedIn](#)) to learn more.

### Welcome home to Madras, Dr. Katie Snyder

We are thrilled to share that [Dr. Katherine Snyder](#) has joined us as our new Clinic Medical Director at our Madras Health Center. Dr. Snyder was born and raised in Madras. She specializes in family primary care, and has expertise in women's health and obstetrics (prenatal care and deliveries).

Dr. Snyder earned her Doctor of Medicine at the Pennsylvania State University College of Medicine and completed her residency at Puget Sound Family Medicine Residency at Naval Hospital Bremerton. She is fellowship trained in surgical obstetrics. Welcome to Mosaic—and welcome back to your hometown of Madras—Dr. Snyder!

# Mountain View SBHC set to open in May

In partnership with Bend-La Pine Schools and Deschutes County, this spring Mosaic will be opening a new School-Based Health Center (SBHC) at Mountain View High School in Bend.

The location will serve patients from birth through age 18 in addition to students at the high school. The site will offer a full range of physical, behavioral health and preventative health services.

Thank you to the generous donors who contributed to this project, including: [Oregon Community Foundation](#), [Bend Foundation](#), [Cow Creek Umpqua Indian Foundation](#), [First Interstate Bank](#), [Les Schwab Tire Centers](#) and many others!

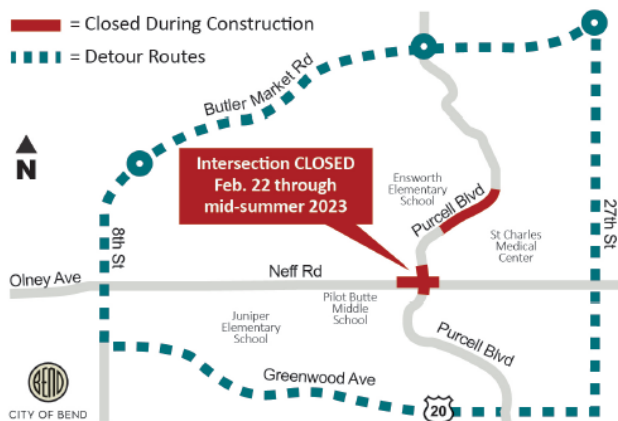

Interested in learning more about supporting Mosaic? Contact [Emily Boynton](#).

BEND FOUNDATION

## Bend eastside sites impacted by road construction

Construction began last month at the intersection of Neff and Purcell on Bend's eastside. The project, which will make the location safer for all, is expected to last until midsummer.

Patients accessing our Bend eastside sites will need to allow extra time to reach their appointments.

Detour routes provided by the [City of Bend](#) are shown.

## RESOURCE: Need health insurance?

Mosaic's Enrollment team can help anyone in the community—no matter where they go for healthcare—with resources and applications. Call 541-647-2717 Monday-Friday, 8 a.m. - 4:30 p.m.

## Join the Mosaic team

Are you interested in joining a diverse team serving our community with compassion? We encourage work/life balance and offer great benefits. Join us! To view current clinical and non-clinical openings around the region, click
